

The Education System of Manitoba

1 A secondary school diploma is issued upon successful completion of the secondary school curriculum.

2 Selected institutions offer applied degrees.

Notes

(1) All colleges and universities offer certificate programs of variable length.

(2) Continuing and adult education programs, while not shown on this chart, may be offered at various levels of instruction.

(3) In Manitoba, there is a network of adult learning centres which provide adults with an alternative pathway to obtain secondary level education.
