

The Education System of Nunavut

Nunavut, Canada

Notes

- ▶ Colleges and universities may offer certificate programs of variable length.
- ▶ Continuing adult education programs, while not shown on this diagram, may be offered at various levels of instruction.

Legend

- light green box: university education
- medium green box: college education
- dark green box: apprenticeship - vocational and technical training
- solid line with arrowhead: to the job market
- solid line with arrowhead and orange circle: typical pathway
- dashed line with arrowhead and orange circle: alternate pathway

- 1** The right to deliver university-level programs and grant prescribed university degrees and applied bachelor's degrees has been granted to public colleges through legislation. However, all degree programs delivered are currently offered through partnerships with educational institutions in other Canadian jurisdictions.
- 2** A secondary-school diploma is issued upon successful completion of the secondary-school curriculum.
